HOW IS THIS POSSIBLE?

Every breakthrough opens a harder race. Every sacrifice raises the cost. The little guy is becoming a threat to the fastest men alive.

Maya, his girlfriend and a college hurdler, wants a future with him and a career of her own. Distance turns missed calls into arguments. She can handle losing a race. She's afraid he's learning to live without her.

His brother sacrifices. His father faces cancer. Kai prays for courage. Sixty episodes lead to a final too close to call.

The heart of an underdog. The strength of love. One extraordinary shot at gold.
